# What is Sickle Cell Disease?

## SCD is a blood disorder

Sickle Cell Disease (SCD) is an **inherited blood disorder** that affects red blood cells. Normal red blood cells are round and flexible, which lets them travel through small blood vessels to

## Causing misshapen blood cells

SCD causes red blood cells to **form into a crescent shape**, like a sickle.

## Creating painful complications

The sickle-shaped red blood cells break apart easily, clump together, and stick to the walls of blood vessels, **blocking the flow of blood**, which can cause a range of serious health issues.

# Sickle cell disease

**Normal red blood cells are round and flexible.**

**In sickle cell disease, red blood cells stiffen, changing shape into sickles (crescent-shaped).**

**Sickle-shaped cells don't pass easily through blood vessels.**

## Sickle cell disease symptoms include:

**Frequent pain episodes.**

**Pain affects your child's chest, back, legs and arms most often.**

**Swelling and inflammation of their joints.**

**Painful swelling of their hands and feet.**

**Anemia, causing fatigue, paleness and weakness.**

**Jaundice (yellowing of skin and whites of eyes).**

CORE IAS is really an exceptional institute. While other institutes majorly focuses on Prelims part, CORE IAS lays exceptional emphasis on Mains and Answer writing which I believe is a trickiest part of UPSC.

It's very hard to find such a dedicated and passionate teacher like AMIT sir. Really fortunate to be a part of this family.

It was only because of you sir that I was able to unveil the true requirement of the exam.

Highly recommended for those students trying to brush up their Answer writing and Critical thinking.

The Core IAS is the best coaching centre for those aspirants who are ready for the self hardwork and are in a dire need for the right kind of direction. Amit Sir specially gives individual attention to the serious candidates and motivates keeping the spirit high. What I have gained from them is how to tackle exam both prelims and mains. And I m also thankful for the strategy they gave for ANSWER WRITING... I highly recommend everyone to join Amit Sir class and gain as much as possible, rather than going for the big names!!!

Thank you so much Sir and the core IAS team...for your continuous efforts and hardwork.
